

Happy Bicentenary

Summer is here and now we have the longer evenings we're walking more!

Raise 2017 miles as we journey through the bicentenary of St. Michan's Church.

The longer evenings these times so why not join us on our Halston Street Parish weekly walks.

All you have to do is turn up at the **Four Courts Luas Stop** on the walk night and walk with the group. The round trip will be forty to fifty minutes and the routes will vary. To make sure as many of you get involved, the walk evening may vary.

The next walks are scheduled for **Wednesdays at 6pm**
