

*Many thanks - one and all!*

Ten pilgrims walked from Tui to Santiago de Compostela in thanksgiving for the Bicentenary of St. Michan's Church. During the pilgrimage in September 2017 prayers were offered for the intentions of the parishioners of St. Michan's – living and deceased.

Some of the pilgrims received sponsorship for their efforts and the final monies have been received for the Bicentenary Camino Walk.

A sincere word of thanks to everyone for your prayerful support. Your prayers got us home safe and sound.

The money you helped us raise will be put towards the next phase of the restoration work in St. Michan's Church.
